

## Quiz And Social Tea - February 9

**T**his proved a very popular event and the Tapestry Room at St Leonard's Church Beoley was packed with teams of four clustered around tables. Team names were chosen with a Yorkist flavour, and we were off. Ralph's multiple choice questions always gave a range of very plausible alternatives, sometimes hilarious, sometimes downright tricky to spot. It was a close run thing and we all learnt something new. Prizes were given to the teams scoring the most points and the least, then everyone dived into the amazing spread of food awaiting us and gratefully drank cups of tea.

Thanks Ralph for another entertaining meeting!
